

DIPAK MALI

Tech Enthusiast

Hi, I'm Dipak Mali, currently pursuing a B.Tech specializing in Computer Science and Engineering. Well-versed in programming languages such as Python, SQL, and proficient in technologies like Flask, React, REST API, and Full Stack development.

TRAINING EXPERIENCE

Zensar, RCPIT Shirpur — *Software Development Trainee*

Jul 2022 - Sept 2022

- Completed the Zensar Technologies ESDP Program, sponsored by the RPG Foundation, with a focus on comprehensive training in Web Development, Backend (JSP, Servlet), SQL and Java.
- Project: **TechBlog** (A Blog App) : [GitHub](#) ([Code](#))

PROJECTS

React HouseHub — Web App | Aug 2023

Tech Stack: React, Firebase, React Icons, React Toastify, Swiper

- Developed React HouseHub, an online marketplace for real estate transactions, using React and Firebase. Implemented user authentication (email/password and Google), homepage with latest listings, offer page for renting or purchasing houses, and profile management.
- Utilized React Router DOM for navigation, React Icons for UI elements, React Toastify for notifications, Swiper for interactive sliders, and UUID for unique identifiers.
- Links:** [GitHub](#) ([Code](#)), [Live Demo](#)

CryptoX — Website | Jul 2023

Tech Stack: HTML, CSS, JavaScript, React, CoinGecko API

- Developed a React application, CryptoX, to provide real-time data on cryptocurrency prices using the CoinGecko API. Implemented features include real-time price tracking in multiple currencies, graphical price trend representation with customizable time periods, and a visual indicator for 24-hour price changes.
- Implemented a user-friendly interface with dark/light mode options using Chakra UI and React components.

SKILLS

Languages

- C
- Python
- JavaScript
- SQL
- HTML
- CSS

Frameworks

- React
- Flask
- Tailwind CSS

DB & Other Tools

- MySQL
- Git
- GitHub
- VS Code
- Postman

ACHIEVEMENTS

- 5 Star HackerRank
- AWS, Cloud 101 Badge

CERTIFICATIONS

- AWS Cloud Foundations
- Python Basics - HackerRank
- English Typing 30, 40 WPM
